

PRODUCT INFORMATION SHEET
MaxiScrub

Industrial Hand Cleaner with POLYBEAD scrub and a citrus base

FEATURES

- MaxiScrub effectively removes grease, tar, gum, glue and many other types of soiling from your hands, leaving a natural pleasant citrus scent.
- MaxiScrub is a natural citrus based hand cleaner and does not contain harsh petroleum solvents.
- MaxiScrub contains poly beads for a gentle scrubbing action

HOW TO USE

- Apply a small amount into the palm of the hand and rub into hands until dirt is dissolved. Wipe off or wash off with water.
- MaxiScrub is a gel and will not run off hands thus avoiding wastage.
- MaxiScrub contains emulsifiers and will rinse off thoroughly with water.
- MaxiScrub will protect the skin
